

# *Sixth and Seventh Lake Improvement Association*

*Care for our good nature*

[www.sixthandseventhlakeassoc.org](http://www.sixthandseventhlakeassoc.org)

Dear Neighbors:

Welcome to another summer season in our beloved Adirondacks. Existing and new businesses are again coming alive. With all of the stresses of the past few years it's comforting to get back to the life and places we all hold so dear. It's always refreshing to reconnect with friends and family we've missed. Nothing quite compares to the healing waters of 6<sup>th</sup> and 7<sup>th</sup> lakes.

The Board has continued to be very active over the winter and we have some very exciting news regarding our water quality. With our permit and dues collected from the members we will continue our mitigation efforts to help rid our lakes of invasive aquatic species. Mitigation efforts are scheduled to begin in early summer, and they will again be concentrating on the dam end of Sixth Lake. The hope is to keep a schedule and stay ahead of future outbreaks.

**The Annual Association Meeting will be on Saturday August 5th at Fern Park at 10:00AM.**

The Annual Meeting is the opportunity we have each year to get some feedback from the membership, report to you some of the important information and to vote on essential Association business. The Board has agreed to modify the meeting format once again. We will conduct the annual meeting a little earlier and provide coffee and breakfast snacks. Our community involvement includes discussions about the sandy beach and boat launch on Seventh Lake, the Sixth Lake dam, boater safety and wildlife including loons on the lake. Please bring your own chairs. The fireworks will occur that evening. Please check our website for any updates or changes.

Our website (<https://sixthandseventhlakeassoc.org>) contains comprehensive information related to the activities and relevant information about our association. We ask that you take some time to check this out and feel free to send us ideas, suggestions, even photos or other content you would like to share to [6and7lakes@gmail.com](mailto:6and7lakes@gmail.com).

**2023 Membership Information**

We continue to strive to increase membership and community engagement by broadening our reach and visibility. Please remind/encourage your friends and neighbors about our Association as we all benefit from broader and more inclusive membership.

An important element of providing these benefits and services is your continued support financially, but even more so with your time and skills. We ask that you consider joining for the first time or renewing your membership for 2023. Suggested contributions are as follows:

Membership Dues	\$30.00
Fireworks	\$25.00
Invasive Species Fund	\$30.00
Total	\$85.00

Please send your membership contributions to:  
The 6th and 7th Lake Improvement Association, Inc.,  
PO Box 164, Inlet, NY 13360

OR

On-Line through our website [www.sixthandseventhlakeassoc.org/shop/](http://www.sixthandseventhlakeassoc.org/shop/)

Thank you for your support and we urge you to join or renew your 2023 membership as soon as possible. If you have any questions or wish to volunteer, please do not hesitate to contact me or any of the other Board Members. Otherwise, please stay safe and healthy and I we are looking forward to seeing you in the Spring and Summer of 2023.

Sincerely,

Terry Whyte  
President, The 6th and 7th Lakes Improvement Association, Inc.
